

Round Rock Police Calls for Service at Mesa Park Subdivision, November 2009 - April 2010

Notes:

1. The source for these data is RRPD's Computer Aided Dispatch database, which tracks calls as they come into the police department. As such, these data are limited in that actual call natures or dispositions may not be accurately captured.
2. All major crime categories are included in the analysis. Thus, if a category does not appear, the subdivision produced no calls in that category. Traffic stops and animal-related calls are excluded.
3. The Department is in the process of reviewing which calls it designates "emergency;" future results regarding response time may change in the future.
4. All traffic stops and animal-related calls have been screened from this analysis.
